## **Emergency Response**

Arizona Culinary Institute recognizes the safety and well-being of the campus community as our highest priority. We have put in place the staff, planning and resources necessary to respond effectively to a broad range of possible emergencies.

ACI's President or designated administrative official will "immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff" on campus. Warnings may only be withheld if they would compromise efforts to contain the emergency. In the event of such an emergency, information updates will be available on ACI's home page at [www.azculinary.edu](http://www.azculinary.edu) and through ACI's administration by calling 480-603-1066. After consulting with outside emergency authorities' television and radio stations may be used to communicate with surrounding communities about the situation.

ACI's emergency response plan (ERP) positions the institution to respond to any type and scope of emergency (i.e. natural disasters, pandemic flu or a building fire) and to integrate smoothly with emergency responders from off campus. The ERP has been reviewed and updated within the past year. Staff members with assigned responsibilities in the plan have participated in campus training and exercises to refine our level of preparation.

## **Crime Awareness & Security Act of 1990**

### **Reporting Annual Disclosure of Crime Statistics**

Arizona Culinary Institute (ACI) prepares this report to comply with the Jeanne Cleary Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be obtained in the administration office. The Director of Education at ACI prepares this report in cooperation with the local law enforcement agencies surrounding our campus.

Campus crime, arrest and referral statistics include those reported to the local law enforcement agencies and designated campus officials (including but not limited to Directors, Lead Instructors, Instructors, and designated Administrative Personnel).

A letter will be enclosed in all newly enrolled students' registration packets providing instructions on where to locate this report on our web site. Faculty and staff will receive a similar letter with their paychecks. Copies of the report may also be obtained at the front receptionist area located at 10585 N. 114<sup>th</sup> Street Suite 401 or by calling the Financial Aid Department at (480) 603-1066. All prospective employees may obtain a copy from the Controller or by calling (480) 603-1066, and the web site address will be attached to the ACI employment applications. School applications will provide the web site information needed to access the report for potential applicants.

### Timely Warning Policy

In the event that an on-campus or off-campus situation arises that the President of ACI believes is an on-going or continuing threat, a campus-wide “timely warning” will be issued. The decision to issue a crime alert will be decided on a case-by-case basis and all warnings will be issued directly to our students and patrons by faculty and/or administrative staff members. Copies of the notice will be posted on each of the student information boards in the “hub” area, library and, when deemed necessary, on the school website.

Anyone with information warranting a timely warning should report the circumstances to the President of ACI by phone at (480) 603-1066 or in person at 10585 N. 114<sup>th</sup> Street, Suite 401 Scottsdale, AZ 85259.

### Security and Access

ACI is open to students, faculty, employees and guests Monday through Friday from 6:30 a.m. to 5:00 p.m. ACI’s loading dock/receiving area and student entrance are both located at the rear of the building and supervised by our Purchasing Manager. The side entrance which leads to du Jour Restaurant is locked at all times and the front entrance to the building is supervised by Administrative Personnel during business hours. During non-business hours access to the campus is only permitted to select employees who have been issued a key and security code.

ACI does not have a Campus Security Department however all of ACI’s staff members and faculty have the authority to ask visitors for identification. If visitors do not have business with ACI they will be asked to leave and the local police will be contacted. ACI does not have on-campus residences.

### Crime and Accident Prevention

ACI does not provide programs to inform students and employees about the prevention of crimes. We do, however, encourage all students and employees to be aware of their responsibility for their own security and the security of others. Being conscious of personal safety and aware of environmental safety hazards may aid in crime prevention and decrease the incidence of accidents.

### Reporting a Crime or Emergency

Arizona Culinary Institute does not have a Campus Security Department. All students, faculty, staff members and visitors are encouraged to immediately report non-emergency, suspicious or criminal activity to the following individuals:

<u>ACI Department</u>	<u>Phone</u>	<u>Location</u>
Robert Wilson, Campus President*	480-237-4330	ACI Building – Ste 401
Christopher Wolf, Executive Chef	480-603-1066	ACI Building – Ste 401
Michael Wagner, Controller	480-237-4323	ACI Building – Ste 401
Susan Lane, Student Advisor/Registrar	480-237-4321	ACI Building – Ste 401
Erin Coopey, Director of Education	480-603-1066	ACI Building - Ste 401

\* The President of ACI is the designated Campus Security Authority and the person to whom all reports are ultimately directed.

Emergencies should be reported immediately by dialing 9-1-1 and non-emergencies may be reported to the Scottsdale Police Department at (480) 312-5000. There are phones available for student and visitor use in the student break area and in du Jour Restaurant's lobby.

ACI does not have a policy or procedure that would allow a victim or witness to report a crime on a voluntary and confidential basis. However, ACI encourages anyone who is victim or witness to any crime to promptly report the incident to the police. Those individuals who would prefer to remain anonymous may report crimes by contacting the Citizen Tip Line at (480) 312-8477.

## ACI's Drug Free Campus and Alcohol Policy

### **Purpose and Source**

Under Federal legislation, the Drug Free Workplace Act of 1988 and the Drug Free Schools Communities Act of 1989 require institutions of higher education that want to receive funds or any other form of financial assistance under any federal program to implement a program that prevents the use of illicit drugs and abuse of alcohol by students and employees. The act requires annual distribution of the following information to students and employees.

### **Policy**

It is the goal of ACI to provide an alcohol and drug-free environment to all our students and employees. To achieve this goal and comply with federal law, ACI prohibits the unlawful sale, manufacture, distribution, dispensation, possession, and use of controlled substances on its property or as part of any on-campus activity. Every ACI student and employee must abide by the terms of this statement and by local, state, and federal laws regarding the unlawful possession or distribution of illicit drugs and alcohol.

## Procedure

To comply with anti-drug legislation ACI will:

- Annually publish and distribute to all employees and students a written statement regarding this policy and descriptions of disciplinary actions that may be taken against students and employees for such violations.
- Establish a drug-free awareness program to inform employees and students about the dangers of drug abuse in the workplace. As part of this program employees and students will also be informed of available drug counseling/rehabilitation programs that are available. They will be notified of the penalties that may be imposed upon employees and students for drug violations.
- Notify the contracting or granting agency within ten (10) days of receiving notice of an employee's criminal drug statute conviction for a violation occurring in the workplace. The Director of Financial Aid will be notified of any student offense if the student is directly receiving federal aid (e.g. Pell Grants).
- Will impose sanctions against employees and students who are in violation of the above-mentioned policy. An employee who is found to have violated this prohibition may be subject to disciplinary action up to and including dismissal or be required to satisfactorily participate in a drug abuse assistance rehabilitation program as a condition of continued employment. The drug abuse assistance/rehabilitation program shall be one that has been previously approved for such purposes by a federal, state or local health, law enforcement or other appropriate agency. A student who is in violation may be subject to suspension, expulsion and possibly required to participate in a drug abuse assistance rehabilitation program as a condition of continuing their education. The drug abuse assistance/rehabilitation program shall be one that has been previously approved for such purposes by a federal, state or local health, law enforcement or other agency.
- Will maintain a reference list of local treatment and rehabilitation centers for employees or students that need a referral to a drug or alcohol-counseling center.

- Provide a full description of health risks to all students and employees upon receipt of their Drug and Alcohol Abuse Awareness Statement and in ACI's annual publication. In order to aid ACI in verifying its compliance with the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendments of 1989, all employees and students are required to sign a Drug and Alcohol Abuse Awareness Statement acknowledging they have received a copy of the Drug-Free Workplace/Drug and Alcohol Prevention Policy, which specifies that they will:
- Abide by the terms of ACI's drug/alcohol policy
- Notify the President of ACI (if faculty and staff) or Director of Financial Aid (if student employee or student) of any criminal drug statute conviction or violation occurring on campus no later than five (5) days after such conviction or violation.  
Have knowledge of disciplinary actions, which may be imposed for violations of the drug/alcohol policy.

This signed and dated statement will be permanently maintained in the employee's personnel file or the student's file in the administrative office. ACI shall continue to make a good faith effort to maintain a drug free workplace by taking the necessary steps as provided in the administrative policy statement.

#### **ACI's Policy**

It is the goal of ACI to provide a drug-free environment to all our students and employees. To achieve this goal and comply with federal law, ACI prohibits the unlawful sale, manufacture, distribution, dispensation, possession, and use of controlled substances on its property or as part of any on campus activities. Every ACI student and employee must abide by the terms of this statement and by local, state, and federal laws regarding the unlawful possession or distribution of illicit drugs and alcohol.

#### **Disciplinary Actions/Sanctions**

In addition to the sanctions imposed by federal and state courts concerning controlled substance violation (s), ACI will respond administratively when the offense involves a student or employee as the offender. An employee who is found to have violated this prohibition may be subject to disciplinary action up to and including dismissal or be required to satisfactorily participate in a drug abuse assistance rehabilitation program as a condition of continued employment. The drug abuse assistance/rehabilitation program shall be one that has been previously approved for such purposes by a federal, state or local health, law enforcement or other appropriate agency. A student who is in violation may be subject to suspension, expulsion and possibly required to participate in a drug abuse assistance rehabilitation program as a condition of continuing their education. The drug abuse assistance/rehabilitation program shall be one that has been previously approved for such purposes by a federal, state or local health, law enforcement or other agency.

## SYMPTOMS AND PROGRESSION OF ALCOHOLISM

Alcoholism is a chronic, progressive disease with predictable, identifiable symptoms, which, if not treated, can be fatal. Below are some primary symptoms of alcoholism, placed in the order, which they generally occur. One need not be experiencing all of these symptoms or in the order listed to be suffering from alcoholism.

Increase in Tolerance	Being able to out-drink your peers is not something to be proud of, but to be concerned about.
Preoccupation	Looking forward to drinking after work or on the weekend. Planning your social activities around alcohol.
Blackouts	Occasional memory lapses while drinking or an alcohol-induced state of amnesia.
Sneaking Drinks, Gulping Drinks	
Loss of Control	Unplanned drinking episodes or inability to realistically predict what will happen once you take the first drink.
Alibis	Having to explain why you drank or make excuses for your drinking.
	Change in Drinking Patterns and Attempts to Control Promises and Resolutions Repeatedly Fail Family Problems, Financial Problems,
Going on the Wagon	Some people quit drinking for a period of time in an attempt to control their drinking or prove to themselves that they are not physically addicted to alcohol, failing to realize that one need not drink every day in order to have a drinking problem.
Increasing Blackouts	
Geographic Escape	Changing jobs, moving to a different city or state to get a "new start."
Impaired Thinking, Loss of Job, Decrease in Tolerance, Drinking in the Morning	
Physical Deterioration	Liver, heart, stomach, brain damage.
Indefinable Fears	
Abandonment	"I don't care."

### Local, State and Federal Legal

#### Legal Sanctions- Laws Governing Alcohol

Arizona revised statutes make it unlawful:

- For a person under the age of twenty-one years, to buy, receive, have in possession or consume spirituous liquor. A.R.S. 4-241.

### **Consequences of an Arizona Drunk Driving Conviction**

In recent years, fines and jail time have increased for people convicted of DUI / DWI. Even being charged with a driving under the influence can result in a suspension or restriction of your driving privilege. If you are arrested and have a blood alcohol concentration (BAC) of .08 or more, your driver's license must be surrendered immediately. If you refuse to take a BAC test, your license will be suspended for twelve months. All of this occurs prior to a drunk driving conviction.

If you are convicted of an Arizona DUI / DWI and your blood alcohol concentration is .08 to .149 the consequences include:

#### **First Offense**

- Up to six months in jail
- A fine up to \$2,500
- Court ordered substance abuse counseling
- Community Service
- 10 days in jail (9 are eligible to be suspended)

#### **Second Offense**

- Up to six months in jail
- Drivers license Revocation
- A fine up to \$2,500
- Court ordered substance abuse counseling
- Community Service
- Ignition Interlock Device

If you are convicted of a DUI/DWI in Arizona and your blood alcohol concentration is above .15, known as an Extreme DUI, the consequences include:

#### **First Offense**

- Up to six months in jail
- Minimum 30 days license suspension
- A fine up to \$2,500
- A \$250 assessment to the Driving Under the Influence Abatement Fund
- Court ordered substance abuse counseling
- Community Service
- Ignition Interlock Device

#### **Second Offense**

- Up to six months in jail
- Revocation of license
- A fine up to \$2,500
- \$250 assessment to the Driving Under the Influence Abatement Fund
- Court ordered substance abuse counseling
- Community Service

### **Sex Offense Policy, Procedures, and Programs**

The FBI's National Incident-Based Reporting System (NIBRS) edition of the Uniform Crime Reports (UCR) defines a sex offense as any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent.

Arizona Culinary Institute is dedicated to educate students and people about preventing sex offenses. The following information and procedures should be used when a sex offense occurs as required by Section 485(f) of HEA 34 CFR 668.46(b) (11)

Sexual violence is a significant public health problem in the United States. According to the Centers for Disease Control and Prevention's (CDC) National Intimate Partner and Sexual Violence Survey (NISVS), nearly 1 in 5 women and 1 in 71 men in the United States have been raped at some time in their lives and nearly 1 in 2 women and 1 in 5 men have experienced other forms of sexual violence victimization in their lifetime (e.g., made to penetrate someone, sexual coercion, unwanted sexual contact and non-contact unwanted sexual experiences).

Victimization often occurs for the first time before the age of 25 (e.g., 42% of female victims of rape in the U.S. report that they were first raped before the age of 18 and 37% report that they were first raped between the ages of 18-24). Victimization is also often by someone known to the victim, primarily by a current or former intimate partner or an acquaintance.

The following allegations are not taken lightly and may result in immediate suspension and/or termination from ACI as well as possible sanctions imposed regardless of whether the offense occurs on campus or off campus as well as possible prosecution from law enforcement, etc.

Dating Violence – Controlling, abusive, and aggressive behavior in a romantic relationship, including verbal, emotional, physical, sexual abuse, or a combination.

Domestic Violence – Violent or aggressive behavior within the home, typically involving the violent abuse of a spouse or a partner.

Sexual Assault – Any type of sexual conduct or behavior that occurs without the explicit consent of the recipient. This definition includes forced sexual intercourse, forcible sodomy, child molestation, incest, fondling, and attempted rape.

Stalking – Stalking is a crime of power and control. Stalking is conservatively defined as "a course of conduct directed at a specific person that involves repeated (two or more occasions) visual or physical proximity, nonconsensual communication, or verbal, written, or implied threats, or a combination thereof, that would cause a reasonable person fear." Stalking behaviors also may include persistent patterns of leaving or sending the victim unwanted items or presents. Following or laying in wait for the victim, damaging or threatening to damage the victim's property, defaming the victim's character, or harassing the victim via the Internet by posting personal information or spreading rumors about the victim.

Rape, and other forms of sexual violence, is preventable. Recognizing this, Congress passed the Violence Against Women Act in 1994. This landmark legislation established the Rape Prevention and Education (RPE) program at CDC. The goal of the RPE program is to strengthen sexual violence prevention efforts at the local, state, and national level. It operates in all 50 states, the District of Columbia, Puerto Rico, and four U.S. Territories. ([www.cdc.gov/violenceprevention/rpe/index.html](http://www.cdc.gov/violenceprevention/rpe/index.html))

**What you should know:**

Men and women can be victims of rape  
Alcohol affects your judgment  
Silence does not equal yes  
Passed out does not equal yes  
If convicted of sexual assault, you could face a minimum of 7 years in prison, lifetime probation & register as a sex offender  
Scottsdale Police Department aggressively investigates all reports of sexual violence

**What should you do?**

- Watch your drink
  - Watch how much you drink
  - Watch out for your friends – SPEAK UP
  - Demand respect for yourself and others
  - Report all sexual violence to the police
- Above all: Act responsibly & treat others respectfully*

**PROCEDURES STUDENTS SHOULD FOLLOW IF A SEX OFFENSE OCCURS:**

**If you are a victim of a sexual assault at this institution**, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. ACI strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to Chef Robert Wilson or Susan Lane. Arizona Culinary Institute personnel *will* assist the student in notifying these authorities, if the student requests the assistance of these personnel. Filing a police report with ACI will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim.

**Collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam).** The victim will have access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

**Procedures for campus disciplinary action in cases of an alleged sex offense:**

The accuser and the accused are entitled to the same opportunities to have others present during a disciplinary proceeding; and both the accuser and the accused must be informed of the outcome of any institutional disciplinary proceeding that is brought alleging a sex offense. Compliance with this paragraph does not constitute a violation of the *Family Educational Rights and Privacy Act (FERPA)*. For the purpose of this paragraph, the outcome of a disciplinary proceeding means only the institution's final determination with respect to the alleged sex offense and any sanction that is imposed against the accused regardless of where the alleged sex offense occurred. A victim cannot be required to sign a nondisclosure agreement or to otherwise agree to a prohibition from discussing the case. Notification of the final results to both the victim and the accused should be made in the same manner and the same time frame.

**The following sanctions may be imposed following a sex offense-related disciplinary proceeding:**

When a sexual assault victim contacts ACI, personnel will be notified as well as the Scottsdale Police – should the student permit law enforcement be contacted. The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system. An ACI employee will guide the victim through the available options and support the victim in his or her decision in a private and confidential location. Various counseling options are available and students are encouraged to contact Student Services for a list of locations where counseling and support services outside ACI can be obtained through the City of Scottsdale Family Advocacy Center and/or the Arizona Coalition to End Sexual and Domestic Violence – **Please see Student Services for more information.**

ACI disciplinary proceedings allow that the accused and the victim will each be allowed to choose one person who has no formal legal training to accompany them throughout the hearing. Both the victim and the accused will be informed of the outcome of the hearing. A student found guilty of violating ACI's sexual misconduct policy could be criminally prosecuted in state courts and may be suspended or expelled from ACI for the first offense. Student victims have the option to change their academic and living situations after an alleged sex offense and options for those changes if those changes are requested by the victim and are reasonably available.

The Campus Sex Crimes Prevention Act (CSCPA) of 2000 is a federal law that provides for the tracking of convicted sex offenders enrolled at, or employed at, institutions of higher education. ACI is required to inform the campus community that a registration list of sex offenders will be available at [www.city-data.com](http://www.city-data.com).

*FERPA guidance on disclosing information about registered sex offender citation 20 U.S.C.1232g (b) (7). Sex offender registration information citation 34 CFR 668.46(b) (12)*

**Unlawful use of the information for purposes of intimidating or harassing another is prohibited and willful violation shall be punishable as a Class 1 misdemeanor.**

### Reported incidents

A reported incident does not necessarily mean that charges were filed, an arrest was made or that anyone was found in violation of campus policies or state/federal laws. A reported arrest means that a law enforcement officer detained an individual with the intention of seeking charges against the person for a specific offense(s) and a record was made of the detention. Also, for reporting purposes, statistics are limited to on-campus or college-owned property occurrences and those adjacent to the ACI Campus. The following are definitions for occurrences that must be reported to the campus community.

Arizona Culinary Institute does not offer any on-campus housing. ACI does not have any non-campus buildings or properties.
